To Whom it May Concern,

All Peter Grimm's products, including all adornments, have been fully tested and do not contain chemicals at concentrations that would require a California Prop 65 warning label.

Even though we produce and ship products to customers outside the state of California, where less stringent safety regulations are required, every product we deliver maintains a full Prop 65 compliance. This policy enables us to minimize all of our clients, and end users of our products, to chemical exposure levels known to potentially cause health risks.

Peter Grimm LLC hereby certifies and guarantees that the above is true and correct. If you should have any questions, please do not hesitate to contact us.

Sincerely,

Fred Muir
