General Conformity Letter

To Whom It May Concern:

In accordance with the US Consumer Product Safety Improvement Act (CPSIA) 15 U.S.C. 2063, and California Proposition 65, this General Conformity Letter (GCL) is to confirm all applicable Richardson styles have been tested by accredited laboratories and are in compliance with the provisions set forth under CPSIA H.R. 4040 regarding lead content standards for products marketed and sold to children through age 12 as well as California Proposition 65. Richardson headwear does not require Proposition 65 warning labels.

NOTICE: Please be advised that this letter and any certifications we provide are for the finished BLANK products that we sell. If a blank product we sell is later decorated or modified by a third party, our testing and certifications will not apply to the decoration or modification. Therefore, you must determine on your own, if additional testing is required after you embellish it, and more specifically with regard to Prop 65, if a warning label is required.
