LAT Apparel believes in the importance of giving back to the communities in which we work and live. Since 2007, LAT Apparel has been a proud supporter of Fisher House™ and Children of Fallen Soldiers Relief Fund, Inc. through donations funded by sales of our Code Five brand. Both of these charities serve a vital role in supporting service members and their families.

Fisher House™ has been in operation since 1990 and describes its role, "Because members of the military and their families are stationed worldwide and must often travel great distances for specialized medical care, Fisher House Foundation donates "comfort homes," built on the grounds of major military and VA Medical centers. These homes enable family members to be close to a loved one at the most stressful times - during the hospitalization of an unexpected illness, disease, or injury."

Children of Fallen Soldiers Relief Fund, Inc. has been operating since 2003. Their goal is to serve as a "means of providing College Grants and Financial Assistance to surviving children and spouses of our U.S. military service members who have lost their lives in the Iraq and Afghanistan wars."

We are grateful to have the opportunity to support the vital work that both of our partners do, which is why 2% of all Code Five sales go directly to these organizations.
