**New 2021 colors!** Fresh hues set the tone with pops of color and patterns, from shades of coastal charm and purple sunsets, to blends of muted reds, golds and deep blues made to look and feel like well-worn favorites. These colors are rich and vibrant additions to the existing LAT Apparel palette.

**Rouge.** Toned-down red with a vintage feel. Soft and faded like an old stand-by.

**Pro Purple.** Possibly the most popular and recognizable purple on the planet. A sturdy purple worn by athletes of all ages. The purple of champions.

**Storm Camo.** Like an approaching storm, this great-looking black and gray camo pattern packs plenty of attitude.

**Saltwater.** The perfect blend of blue and green with a washed garment appearance without the price, inconsistency and decoration issues that come along with a true garment wash.

**Denim.** Inspired by the classic wardrobe staple, Denim is the perfect complement to the hues of blues we currently offer. Beautifully saturated, it's a darker blue, without the vibrancy of Navy.

**Coyote Brown.** A lighter brown often found in military camouflage, with rich, muted gold tones. It works well with other solid colors, such as brown, grey, military green, and black. It also combines exceptionally well with camouflage patterns of almost every type.

Our most popular men's tee - the Men's Fine Jersey Tee (6901) - is versatile and comfortable in any fashion situation. Available in our five new colors.
